

1LINK upgrades its test environment with Avanza's award-winning solutions suite

An agreement was signed between 1LINK (Pvt) Limited (1LINK) and Avanza Solutions for the implementation of "Test Controller Setup". The signing ceremony was held on August 31, 2018 at 1LINK's Head Office in Karachi. Implementation of Novus along with test Monitoring and Reporting services will enable 1LINK to fulfill its current and future testing requirements.

Novus will form the foundation for 1LINK members to perform self-testing & User Acceptance Test (UAT) for EMV, Biometric ATM withdrawal functionalities at 1LINK Test Lab. This will be an out of the box integration with 1LINK Test Switch, Authentic, over 1LINK's ISO8583 message specifications for online transactions.

Mr. Najeeb Agrawalla, CEO 1LINK commented, "1LINK has always strived hard to go extra mile in facilitating its member banks. This new upgrade will help our members to easily test and perform User Acceptance Testing in unattended manner. This will help save cost and time for the issuers whose benefit may be passed on to the consumers".

Speaking at the event Avanza Group's CEO Mr. Mahmood Kapurwala said, "At Avanza we are at the forefront of customer experience management. Through our award winning products and solutions along with our global footprint, we proudly add value to our customers' product offerings. We are proud to be working with 1LINK to help build financial technologies that continue to reshape the lives of millions of Pakistanis".
